ALPINE—THE ADVENTURE OF RESTORATION

GOOD FRIENDS + GREAT FUN + GOD'S LOVE = CHANGED LIVES!

Winter Theme: "Obsessed"

OBSESSED. We all are. With something.

Whether we like to admit it or not, we all have an obsession. What is it in your life?

Is it a relationship, friends, a hobby, money, physical appearance, or something that you really want in life? We chase after these things in hopes that they will give us a sense of purpose and self-worth. We long to find that "something" that will truly satisfy us and make us happy. But what happens when we pursue those things and realize they are not all they cracked up to be? What happens when your Obsession lets you down? Do they really make us better? Or do those things leave us empty, unfulfilled, and always wanting more? God created us, and only He can give us what we are truly looking for and more! We no longer have to obsess over things that will ultimately disappoint us. This winter, experience what true joy is as we focus on what really matters the most... finding true fulfillment in God.

We anticipate a life-changing week for your child! If you have any questions, please call us at 1-800-350-6287 or email us at info@alpine-cc.org.

Sincerely in Christ,

The Staff of Alpine Camp and Conference Center
